IRAP

- ❑ IRAP is an association which cares for the deaf-dumb young adults.
- ❑ IRAP's revenues mainly come from the sales of pastries and chocolates which they prepare in-house
- ❑ In providing IRAP with a **professional kitchen equipment**, the RCB achieved a double goal:
 - ❖ Vocational Service Goal
 - ❖ Community Service Goal
- ❑ This new acquisition will help this institution increase its production and boost its sales.

And that wasn't everything!

We help people to overcome other
problems: Poverty, Covid-19, and other
diseases,...
